

NIEUWSBRIEF – VOORJAAR

VERHUIZING NAAR HAVEN

We are outgrowing ourselves! As of May 12, we will train every Sunday in the Almere-Haven sports hall. Here we have plenty of room to continue to grow and train even more children! From that moment on, the groups are also redistributed somewhat and training times are slightly changed. We will provide more information about this soon

GEANULLEERDE TRAININGSDAGEN

The training sessions will not take place on both May 5 and May 19. The training of May 19 will be rescheduled to May 18 with the same timeframe.

AUTOMATISCHE INCASSO

From this moment on it is possible to have the monthly contribution made by direct debit. If you want to make use of this, you can make this known by email or on location.

CROWDFUNDING

As you know, we are growing very fast. To support all our new players, we have purchased a larger ball cart. We want to fill this cart with 100 balls so that even more kids can play basketball. To fill this cart with quality balls can easily cost thousands of euros. A crowdfunding campaign will soon be launched online to realize this goal. Every donation will be used to fill the cart!
